File No. 79 of 1909

Serial No. 2.

To the Superintendent of Govt. Gardens and Economic Botanist No. R 1630/R2 3-09-27 20.8.09.

States that a sum of Rs 6,500 has been provided in the current year's State Budget for the opening of experimental stations at the Lunatical Tank, Bangalore and at Seringapatam and requests him to submit for the sanction of Govt. modified proposals limiting the expenditure to the above extent. Also requests him to communicate to the Pres^dt. Bangalore City Municipal Council, his views regarding the necessity for utilising the Channarajendrapet Sewage Farm and the uncultivated slope near it to form a vegetable and fruit garden.

Copy of the above letter which was issued from Branch I, has been sent to this Branch for information. The Pres^dt's communication on the above subject may be awaited. In the linked file a reminder is proposed to be sent to the President. Submitted.

Secretariat.

ML 79-09
SL-2

Sir,

With reference to your letter No.Expt.1 dated the 22nd June 1909 submitting for sanction, estimates amounting to Rs.22,451 in the aggregate for opening experimental stations in the Sunnakal Tank bed and Chamarajpet sewage Farm at Bangalore and in the Lalbagh Garden at Seringapatam, I am directed to state as follows:-

1. With regard to utilising the Chamarajpet sewage Farm at Bangalore and the uncultivated slope near it to form a vegetable and fruit garden, Government observe that the proposal is entirely in the interests of the Municipality and that you are yourself doubtful of its being made into a remunerative concern. It is not clearly stated with what object the Municipal Council requested you to see how the Farm can be utilised

utilised . If it is in the interest of the sanitation of the town the annual outlay required seems to be rather too heavy. As one fruit garden is proposed to be opened in the Sunnakal Tank bed, the necessity to have another maintained in its immediate vicinity is not apparent. In these circumstances I am to request you to communicate your views in the matter as well as the above to the President of the Municipal Council who may if necessary, submit definite proposals in the matter.

2. Next as regards the opening of experimental stations at the Sunnakal Tank bed, Bangalore and at Seringapatam I am to inform you that Government found it possible to provide only Rs.6500 for the purpose during the current official year.

3. I am therefore to request you to be so good as to modify your estimates so as to limit the expenditure within the above limit and submit fresh proposals for the sanction of Government.

I have the honor to be,
Sir &c
Sd/ H S Chandrasekhara Aivar
Secretary
